Beginning Band Solo Festival

The Murphy Band Department will be hosting a **Beginner Solo Festival on Thursday, February 28**. This event will be held at our school from 4:15 – 6 pm and will give our students the opportunity to be in the spotlight! This is a terrific opportunity for our young musicians, and we are encouraging our students to use this performance as a musical thank you gift to their parents for their support in music this year.

Students will perform their prepared music for a guest band director who will then provide constructive comments on their playing. They will also rate each performance in quality from first division to third division. All students performing will earn special recognitions for their performance.

A student's attire is an important aspect of performances and typically factors into the performance rating. Normally these events require formal clothing. However, to make the event friendlier to our young students, we are permitting a more casual atmosphere - **our students should wear their band shirt and jeans for their performance.**

The entry fee is \$10.00 per student. It does not cover all the costs of the contest, but does assist us in paying the judges and the piano accompanists.

Registration is a TWO step process:

STEP 1: Pay on Parent Portal- \$10.00 and receive a confirmation number.

STEP 2: Register on www.murphymband.com

Your registration is not complete without BOTH steps being followed.

Please register by February 15, 2019
