Experienced, Knowledgeable & Caring Service: My name is Billy Walker and I own and operate **THE BAND CONNECTION**. I served as a band director for 17 years (12 years in Allen, and 5 years in Richardson) before feeling a calling to leave full-time teaching in May, 2006. I opened up **THE BAND CONNECTION** in April, 2007. My wife Janice and I have lived and raised our family in the area north of Dallas for the past 36 years. **We were band parents to all three of our children for 10 years as they were actively involved in the local band programs.** I have been blessed to work with many wonderful students and parents over the years. With the opening of **THE BAND CONNECTION**, I am now in a new role of using my experience as a band director, band parent, and musician combined with a passion to serve and care for my customers.

“Every child who wants to play an instrument should have that opportunity regardless of financial hardships”
